What Others Say...

The consultant gave me helpful pointers concerning my presentation—little things I never would have thought of. She was very responsive to any questions that I had.

I like the consultant's attitude and sincere willingness to help me.

We learned what not to do and how to be more organized.

This was my first time at the Speech Center and I am regretting that I didn't come before.

I strongly encourage my students to take advantage of the Speech Center!

I am amazed, once again, by the improvement. They now celebrate speaking... I encourage them to participate with you and your team for additional insight and experience. Every one who did said it was excellent.... Keep up the wonderful coaching and know I and all here at UR appreciate all you do.

Great help to my students!!

This was a great way for our group to preview our actual presentation.

The consultant helped me order my ideas. He showed me how to reach the audience.

The only way this visit could have been more beneficial is if I had been more prepared.

This was very helpful... I came away with ideas, ideas, ideas!

CO-CURRICULAR PRACTICE OPPORTUNITIES

Candidates for a grant, scholarship award, summer internship or elective office may use the Speech Center to plan and practice presentations. Investiture, Proclamation Night, Symposium and Commencement speakers will find the student speech consultants an excellent practice audience for these traditional University of Richmond events.

PREPARING FOR AN INTERVIEW

Internships, scholarships and graduate school applications frequently involve personal interviews. The Speech Center and Career Services

collaborate to help you develop and fine-tune your interview skills. Attentive listening and speaking with confidence are among the more valuable qualities to practice at the Speech Center prior to an interview. Learning what questions to expect, how to focus, and how to respond thoughtfully and succinctly will greatly improve your chances of being selected.

SPEECH-RELATED RESOURCES

Our resource library includes a variety of materials especially designed to provide assistance in speech writing, critical thinking, listening and managing apprehension. Great speeches by well-known individuals are available for viewing. The Speech Center also has a collection of memorable speeches delivered by students enrolled at the University of Richmond. At the close of each

academic year, faculty and staff consider submissions recommended for inclusion in the collection.
